(CC) = Radial arm or mitre saw (zero or negative hook angle).

* = Will require a suitable bushing washer made to machine manufacturers specification.

(T) = Thin body blade required for cordless trim saws.

All dimensions in mm unless otherwise stated.

Please note some flip over bench saws are also mitre saws.

Information taken from manufacturers catalogue and website, is deemed correct at time of printing. If in doubt about size and bore, please refer to your saw machine manual for the exact specification.
